

## Saeco Royal One Touch

*(Small to medium size offices)*

---

### Coffee Machine Description

---

It's called "One Touch" because that is all it takes to make a great espresso, cappuccino, latte or flat white! With the brilliance of Saeco technology, this sleek looking coffee machine doses and grinds coffee beans, espresses the coffee and heats and froths the milk to your liking at the press of a button, it couldn't be easier.

Using fresh milk and freshly roasted coffee beans from PureBean, the Saeco One Touch coffee machine consistently makes beautiful coffee.
